

CHAIN LETTERS  
URGE SUFFRAGE

Communications Forward-  
ed to Outside Voters to  
Assist Vote Campaign.

"Dear Jerome:  
Are you aware of the facts.  
Here in the District, where we sent  
more men to war than nine States,  
and paid more war revenue than six-  
teen States, there is no vote.  
A man in the same class with an  
education is this Americanism?  
We have more people living here  
than six States. The representatives  
of the States' population help other  
representatives to tell us what to do,  
and what not to do.  
Is this just?  
Will you aid? Just write to your  
Senator or Representative telling him  
your opinion on it.  
And by the way, how about writ-  
ing to two of your personal friends  
asking them to keep the links of this  
chain growing? Spread information  
this way, will you?  
Yours without a vote,  
A. WASHINGTON TONYUN.  
This is a sample of chain letters  
being sent out in Washington and  
surrounding areas. The letters are  
being sent out in large numbers.  
The snowball has started down hill,  
according to prominent fighters for  
the vote here, and when it reaches  
the bottom it is expected to have  
force enough to shake Congress  
and the situation of "taxation  
without representation" now existent  
in Washington.

Damage in Realty Deal.

Park View Apartments, 610 Irving

in the District Supreme Court for  
\$10,000 damages against Otto E. Hop-  
kins, of 311 Seventh street northwest,  
for alleged failure to carry out a  
contract.  
The contract, the plaintiff avers, was  
made up on February 2, 1917, and it  
was agreed therein that her property  
in this city was to be exchanged,  
under certain prescribed conditions,  
for property owned by Hopkins in  
Richmond.  
Hopkins failed to carry out his part  
in the contract, it is alleged, and  
damages are asked for his alleged  
failure. Attorneys Jeffords and Dut-  
ton appear for the plaintiff.

its exhibit of student work today at  
the university's administration build-

exhibit will be open both day and  
evening until April 5. The public is  
invited.  
Members of the local and national

Architects are particularly interested  
in the exhibit because of the aid  
which these organizations have lent  
the university's architectural depart-  
ment.

trict cavalry organization before war

Court Denies Brooke  
Divorce from Wife

Justice Jennings Bailey in the Dis-  
trict Supreme Court yesterday signed  
a decree denying Lloyd A. Brooke an  
absolute divorce from Mrs. Rosina V.  
Brooke.  
Brooke filed suit on March 15 of last  
year, and charged his wife with mis-  
conduct and named a correspondent.  
The case was on trial for nearly two  
weeks, but Brooke failed to convince  
the court that his wife had been  
guilty of wrongdoing, and his peti-  
tion was denied.

a hunch that Fenner would be absent  
from his usual haunts for sixty days.

KIDNEYS WEAKENING?  
BETTER LOOK OUT!

Kidney and bladder troubles don't  
disappear of themselves. They grow  
upon you slowly but steadily, under-  
mining your health with deadly cer-  
tainty, until you fall a victim to in-  
curable disease.  
Stop your troubles while there is  
time. Don't wait until little pains be-  
come big aches. Don't trifle with  
disease. To avoid future suffering be-  
gin treatment with GOLD MEDAL  
HARLEM OIL Capsules now. Take  
three or four every day until you feel  
that you are entirely free from pain.  
This well-known preparation has  
been one of the national remedies of  
Holland for centuries. In 1886 the gov-  
ernment of the Netherlands granted a  
special charter authorizing its sale.  
The good housewife of Holland  
would almost as soon be without food  
as without her "Real Dutch Drops,"  
as she quaintly calls GOLD MEDAL  
Harlem Oil Capsules. Their use re-  
stores strength and is responsible in a  
great measure for the sturdy, robust  
health of the Hollanders.  
Do not delay. Go to your druggist  
and insist on his supplying you with a  
box of GOLD MEDAL Harlem Oil  
Capsules. Take them as directed, and  
if you are not satisfied with results  
your druggist will gladly refund your  
money. Look for the name GOLD  
MEDAL on the box and accept no  
substitutes. Inexpensive, harmless,  
other, inexpensive, harmless,

SALTS IS FINE FOR  
KIDNEYS, QUIT MEAT

Flush the Kidneys at once when  
Back hurts or Bladder bothers.  
Meat forms uric acid.

No man or woman who eats meat  
regularly can make a mistake by  
flushing the kidneys occasionally, says  
a well-known authority. Meat forms  
uric acid which clogs the kidney pores  
so they sluggishly absorb or strain out  
from the waste and poisons from the  
blood, then you get sick. Nearly  
all rheumatism, headaches, liver  
trouble, nervousness, constipation, dis-  
tension, sleeplessness, bladder disorder  
come from sluggish kidneys.  
The moment you feel a dull ache in  
the kidneys or your back hurts, or if  
the urine is cloudy, offensive, full of  
sediment, irregular of passage or at-  
tended by a sensation of scalding, get  
about four ounces of Jad Salts from  
any reliable pharmacy and take a  
tablespoonful in a glass of water be-  
fore breakfast for a few days and  
your kidneys will then act fine. This  
famous salt is made from the acid of  
grapes and lemon juice, combined  
with lithia, and has been used for gen-  
erations to flush clogged kidneys and  
stimulate them to activity, also to  
neutralize the acids in urine so it no  
longer causes irritation, thus ending  
bladder disorders.  
Jad Salts is inexpensive and cannot  
injure; makes a delightful aftereffect  
urine water drink, which all regular  
meat eaters should take now and then  
to keep the kidneys clean and the  
blood pure, thereby avoiding serious  
kidney complications.—Adv.

of the Y. M. C. A. The address on  
"Applied Psychology" to be given by  
Burt G. Farnsworth that night will  
be delivered in the Sir George Will-  
iams room.

The personnel of the office of the  
director of finance, United States  
army, will give a ball at 8:30

fit of soldiers at the Walter Reed

Hospital. Tickets are on sale at the  
Munitions Building, Nineteenth  
and B streets northwest.

to speak before the Calvert Club, 17  
Dupont Circle, Sunday afternoon at

munity Service. The musical show

O streets, will speak to the men of

Albert H. King Would  
Adopt Joseph M. Conkle

Albert H. King, of 712 E street  
northeast, an employee of the Govern-  
ment Printing Office, and his wife,  
Mrs. Riddle M. King, asked the Dis-  
trict Supreme Court yesterday to al-  
low them to adopt seven-year-old

Joseph M. Conkle, whose father is in  
the military service.

The consent of the father, Frederick  
C. Conkle, is filed with the petition.  
Because Mr. Conkle states, he will  
be necessarily absent from the coun-  
try for an indefinite period, he is al-  
lowed to allow Mr. and Mrs. King to  
adopt his son. Attorney George F.  
Williams filed the petition for the  
couple.

EASY TERMS

Play Her Accompaniment  
Yourself---on the Gulbransen

If "she" sings, you know how a poorly  
played accompaniment handicaps her—how a  
well-played one helps.

There are, we believe, a hundred singers  
of real ability to every one who has the opportunity  
to develop.

Because so few singers have the support  
of well-played accompaniments—such as you  
can play for "her" on the Gulbransen.

**The True Accompanist.**

The Gulbransen, of course, never strikes a  
wrong note, never hesitates as to the right one.  
And instead of doubtful "keeping together,"  
there is a smooth certainty of performance.

Because both singer and player-pianist can  
devote themselves to sympathetic interpreta-  
tion, with no thought of error, no effort.

The Gulbransen further helps the singer by  
transposing the music for any voice, high or  
low.

**A Help to Muratore**

Even Muratore, leading tenor of the Chicago  
Grand Opera, finds need for a Gulbransen at  
home.

In the absence of his accompanist, a friend  
can play his Gulbransen for him. And Mur-  
atore frequently plays his own Gulbransen ac-  
companiments, it is so delightfully easy.

From that you can imagine the artistic stand-  
ing of the Gulbransen—and its freedom from  
any suggestion of mechanism.

Years of devotion, endless experiments, care-  
fully guarded patents, have produced in the

Gulbransen an instrument of highest musical  
capability—therefore—

**Easy to Play**

First, it is **physically** easy to play. Our baby  
trade-mark was suggested by a certain baby  
who did play a Gulbransen—just as shown in  
the picture.

Second, you can play the Gulbransen with  
**satisfying expression**, because you produce the  
expression as naturally as you breathe, and as  
easily.

The Gulbransen, in operation is like a deep-  
breathing, well-trained singer compared to the  
"out-of-breath," gasping beginner.

In fact, you can judge any player-piano like  
a singer—by the "out-of-breath" test.

**Try This "Breath" Test**

Play a heavily scored piece on the Gulbran-  
sen, pedaling with **only one foot**. Try to pedal  
slowly.

With most any player-piano this is tiresome.  
But the Gulbransen is **easy** to manage with one  
pedal. It is never "out of breath."

Using both pedals, you need scarce move  
them to play the Gulbransen softly. And a  
great crashing chord requires but an extra  
touch.

This easy breathing of the Gulbransen is  
what makes it a truly satisfying musical in-  
strument—as flexible as a trained singer's  
voice—as easily controlled.

Try this one-pedal "breath" test at the  
Arthur Jordan Piano Co. You will know the  
store by the baby at the pedals in the window.
